Seether

Never Leave

Will I fall again into dismay?

Will I be ashamed of crying?

And I know it's never been the way that I described

But I am afraid of trying

She's the one who keeps me all excited

She keeps me begging for more

She's the one who deems me uninvited

Now it's over

Never leave me, and don't deceive me

I'll keep on crawling my friend

Never tease me and don't leave me here

It's all the same in the end

Now I find that I am weaker fake

That I am ashamed of lying

And I know things never feel the way that's right inside

And I am afraid of dying

'Cause you're the one who keeps me all excited

You keep me begging for more

You're the one who keeps uninvited

Now it's over

Never leave me, and don't deceive me

I'll keep on crawling my friend

It's only a symbol you're got me falling away

And I am afraid

Take back what I said

It's all the same in the end

It's all the same in the end

It's all the same in the end

It's only a symbol
