### These Are The Times

Chorus:

These are the times we all live for  
Praying they'll last forever more  
Holding to memories living in our minds  
Untill the end of time  
And it was the way we hoped it would be  
Standing close by you, close by me  
Forget about saying goodbye, cuz true  
Friendships never die

Thinking 'bout the times we were  
Standing there by each other  
Sharing good times, sharing pain  
Without you could I take the rain?  
No. It just wouldn't have been the same (no)  
Now we must go our separate ways  
And look forward to more bright days  
But reminisce and realize  
We don't have to say goodbye

[Chorus]

Gotta stay strong to move on  
As this brand new lifetime dawns  
Here it comes, we can't delay it  
Come on, hold on, say it, pray it  
As it comes we gotta play it

(I know)

We've got so much to live for

(And I know)

The pain is too real to ignore

(But I know)

That we ain't leaving no one

Cuz our world has just begun.

[Chorus]

I feel the end is near, though not to our unity

I know the air is clear enough to be set free

We have been unfurled, let's warn the world

Of what we're proud to be.. (baby, yeah)

[Repeat Chorus and fade...]
