## 10000 Maniacs

### Can't Ignore The Train

Steep is the water tower

painted off blue to match the sky

can't ignore the train

night walks in the valley silent

you could swear the earth just moved

can't ignore the train

dust to be kicked up

in the crack faced

idle sinister town

screen door to the rail station

devil in her shoe

ran along side the wasted tracks

hem pins darted her calves

can't ignore the train

one spoiled girl with the tidiest apology

some how wedged inside her throat

can't ignore the train

patience their virtue

but I never could abide by that  
dungeon life with electric light  
a clean towel and a basin  
mantle figures mind their place  
laughs where they belong

through adventure we are not adventuresome

rage to share with a wardrobe mirror  
in a room so beige and cold

can't ignore the train

window days saw the children pick their  
street games on thirty afternoons

Molly the boys are  
starting in the rhymic again  
teasing more and more....

the second daughter  
how she fell  
young locked in Some Folk's Prison  
made to dwell  
til they're braiding  
her grey hair

sitting in the wishing chair  
sitting in the wishing chair
