All Cried Out

[Allure]

All alone on a Sunday morning

Outside I see the rain is falling, falling

Inside I'm slowly dying

But the rain will high my crying, crying, crying And you...

Don't you know my tears will burn the pillow

Set this place on fire

'Cause I'm tired of your lie

All I needed was a simple "Hello"

But the traffic was so noisy that you could not hear me cry

I gave you my love in vain

My body never knew such pleasure

My heart never knew such pain

(And you) You leave me so confused

Now I'm all cried out, over you

[112]

ooh

Crying' over you, yeah

Never wanted to see things your way

Had to go astray

For why was I such a fool (Why was I such a fool?)

Now I see that the grass is greener

Is it too late for me to find my way home

How could I be so wrong?

[Allure & 112]

Leaving me all alone

Don't you know my tears will cause an inferno

Romance of these flames

Why should I take the blame?

You were the one who left me neglected (So sorry baby)

Apology not accepted

At me to the broken hearts you've collected

I gave you all of me (Gave you all of me)

How was I to know

You would weaken so easily

I don't know what to do (I don't know what to do)

Now I'm all cried out (All cried out)

Over you

(allure)

I gave you my love in vain

My body never knew such pleasure

My heart never knew such pain

And you

[112]

You left me so confused

[Allure]

Now I'm all cried out

Now I'm all cried out(all cried out)

Over you

[112]

so sorry baby, please forgive me

please forgive me
