Far Away

Something, keeps on pulling me down,
and I feel, like I'm losing ground.

Trying, just to find my reason,
and losing sense of what is real.

Willing to believe in something.

Forgetting, to believe in me.

Will I, find my place in your mind?

Or will I fall awake inside?

Now I'm feeling, so far away,
and now I hate it, oh, everyday.

Waiting, just to see the energy,
you follow, down the road again.

I'm trying, just to find your purpage,
your fading pride is through every day.

Willing to believe in something.

Forgetting, to believe in me.

Will I, find my place in your mind?

Or will I fall awake inside?

Now I'm feeling, so far away,
and now I hate it, oh, everyday.

(now I feel it, feel it)

Now I feel I'm losing time,
and yesterday, slipped away,
but you didn't know.

And time and time again, you want it,
More than I, have to get,
To leave you with nothing

I'm waiting, and dreaming,
and yesterday, slipped away,
but you didn't know.

No more waiting, got me BACK!

Now I'm feeling, so far away,
and now I hate it, oh, everyday(2x)

So far away!

So far away!
