## 12 stones

### Photograph

Fear falls hard like rain again,

Washing over me

You say nothing will ever change

What do I believe?

You fall deep inside again,

Nothing left to see

Weakness fills your heart again

You put it to rest

Forfeit everything,

'Cause you were never strong enough

Close my eyes again

And pray that life will not give up

I try to see your face again,

A photograph for me

Your voice calling out again,

Nothing left for me

You try to find your place again,

Waiting just to breathe

Weakness takes your heart again

You put it to rest

Locked inside again

Locked inside again

Locked inside again

Forfeit everything,  
'Cause you were never strong enough  
Close my eyes again  
And pray that life will not give up

Forfeit everything,  
'Cause you were never strong enough  
Close my eyes again  
And pray that life will not give up

Did you forget about the things I said?  
Fight the lies inside your head  
Deny those who try to bring you down  
Kill the pain and emptiness  
Find a love and lose yourself  
Without this life, you're just a memory

Locked inside again  
Locked inside again  
Locked inside again

Forfeit everything,  
'Cause you were never strong enough  
Close my eyes again  
And pray that life will not give up

Forfeit everything,  
'Cause you were never strong enough  
Close my eyes again  
And pray that life will not give up
