## **16 Down** **Hemisphere**

I can see her think "why me?"

there's air floatin'out of my mouth

When breathin' in this scent I flashed back

Takin' me back some ten years, why me?

Comin' down , never thought I'd do

In this life, for life

And if this is what I feel

And if this is what you feel

It's out of control

The outter hemisphere

I'm growin' into the solid ground in iron and wood
