### And i go

Its become apparent

In my head the little machine

In the light i'm quite transparent

In the dark, i'm such a dream

There are two sides to me

Sometimes i set the evil one free

Cause i'm in love with the devil

And she's in love with me

And i go, and i go away

Sometimes i lose myself

Sometimes in a bad way

It's never ending im going to hell

As long as you go with me

When your down you'll only want it more

Isn't it nature to break somebody's heart

I wont treat you wrong

And i wont treat you bad

And in my eyes tonight

And if your all alone

I will be your only
