Nver Be Replaced

Baby I love you and I'll never let you go
But if I have to boy I think that you should know
All the love we made can never be erased
And I promise you that you will never be replaced

Baby I love you and I'll never let you go
But if I have to boy I think that you should know
All the love we made can never be erased
And I promise you that you will never be replaced

I love you, yes I do
I'll be with you as long as you want me to
Until (until) the end (the end) of time (of time)

From the day I met you I knew we'd be together
And now I know I wanna be with you forever
I wanna marry you, and I wanna have your kids
It can never compare to the feeling of your kisses
I can say I'm truly happy to this day
You make me think God that I live my life everyday
There's never been a doubt, in my mind
That I regret ever having you by my side

But if the day comes that I have to let you go
I think there's something I should probably let you know
Enjoyed everyday, that I spend with you
And I wont miss you cause I'm happy that I had you at all

Baby I love you and I'll never let you go
But if I have to boy I think that you should know
All the love we made can never be erased
And I promise you that you will never be replaced

Baby I love you and I'll never let you go
But if I have to boy I think that you should know
All the love we made can never be erased
And I promise you that you will never be replaced

I love you, yes I do
I'll be with you as long as you want me to
Until the end of time
