Don't believe what you hear

Don't believe what you see

If you just close your eyes

You can feel the enemy

When I first met you girl

You had fire in your soul

What happened your face

Of melting snow?

Now it looks like this!

And you can swallow

Or you can spit

You can throw it up

Or choke on it

And you can dream

So dream out loud

You know that your time is coming 'round

...don't let the bastards grind you down

No nothing makes sense

Nothing seems to fit

I know you'd hit out

If you only knew who to hit

And I'd join the movement

If there was one I could believe in

Yeah I'd break bread and wine
If there was a church I could receive in
"Cos I need it now

To take the cup
To fill it up
To drink it slow
I can't let you go

And I must be
An acrobat
To talk like this
And act like that
And you can dream
So dream out loud
...don't let the bastards grind you down

What are we going to do now it's all been said
No new ideas in the house, and every book has been read

SOLO

And I must be
An acrobat
To talk like this
And act like that
And you can dream
So dream out loud
And you can find
Your own way out
You can build
And I can will
And you can call

I can't wait until

You can stash

And you can seize

In dreams begin

Responsibilities

And I can love

And I can love

I know that the tide is turning 'round

...don't let the bastards grind you down
