All I Want Is You

You say you want a diamond on a ring of gold

You say you want your story to remain untold

All the promises we made

From the cradle to the grave

When all I want is you

You say you'll give me a highway hith no one on it

A treasure just to look upon it

All the riches in the night

You say you'll give me

Eyes on a moon of blindness

A river in a time of dryness

A harbour in the tempest

All the promeses we make

From the cradle to the grave

When all I want is you

You say you want your love to work out right

To last with me trough the night

You say you want a diamond on a ring of gold

Your story to remain untold

Your love not to grow cold

All the promises we break

From the cradle to the grave

When all I want is you

All I want is you</p>
