Breakfast In Bed

You've been crying

Your face is a mess

Come in baby, you can dry the tears on my dress

She's hurt you again

I can tell

Oh I know that look so well

Don't be shy

You've been here before

Pull your shoes off

Lie down and I will lock the door

And not one has to know

You've come here again

Darlin' it will be like it's always been

Breakfast in bed and a kiss or three

You don't have to say you love me

Breakfast in bed

And nothin' need to be said

What's your hurry

Please don't eat and run

You can let her wait

My darlin it's been so long

Since I've had you here

Please come again

Darlin it will be like it's always been

Breakfast in bed and a kiss or three

You don't have to say you love me

Breakfast in bed

And nothin' need to be said

Breakfast in bed and a kiss or three
