Udo mechels

heartbroken

thinking 'bout the fight

that i had last night with you babe

what you said was right

and i'm really sorry huney...oh oh oh

please come back home

'cause i'm feeling cold and lone

now you're out of sight

oh let me make it right

chorus:

heartbroken

i'm puzzled by my life

i wanne get it right

heartbroken

the pieces of my life

i wanne get them right

oh oh oh uh uh uh

opened up my heaert

right from the start it was you babe

i can hardly speak

my pulse is weak without you babe

it weighs like a stone

don't wanna be on my own

i still wanna fight

oh let me make it right

chorus

so if there's a chance

to try and make amends

i wanna be the first one to know

coz' i'm

chorus
