Ugly Pies Motivation

Ugly Pies " Motivation

Couplet 1:

Watch the man in the driver in the seat
Or what else your psycho need
When did I swear to skate
Shall I do it al again

So when did I swear to skate
Now I did it al again
But was there a reason to
Do the nasty things you do

Refrein:

Motivation (donâ€™t say try)
Motivation (you wonâ€™t say try)
Motivation (you like to feel)
Motivation (you have to free our lives)

Refrein

There not many girls for you
Youâ€™re a freak and crazy to
Close youâ€™re eyes and then open up
And run to the closest club

See a girl and give a sign

Walk to here and say youâ€™re mine

When she says yes, then you have!

A girlfriend with who you can laugh

Refrein (2x)

Solo

The world is just too big for you

You donâ€™t know where you going through

You have to look out there

Or wear good protected gear

Youâ€™ve got a jacket thatâ€™s from furs

They will treat you like a girl

You drink alcohol in the nation

You just need some motivation!

Refrein

Motivation motivation motivation motivation!

</p>
