Bad Girls Need Love Too

(Wanna come to my place)

Whats your fantasy
tell me baby
have you ever been
a slave of the shadow dream
You want that
dont you
tell me baby
let me be your guide
only for tonight

Bad girls need love too
Bad girls need love too
Bad girls need love too
Bad girls need love too

Look into my eyes
wide as the ocean
you will see a shooting star
I'll be a moon that moves your tide
You want that
dont you
tell me baby
let me be your guide
only for tonight

Bad girls need love too
Bad girls need love too
Bad girls need love too
Bad girls need love too
