Waad

i just hate this

all the times i feel the same
the same pain i'm so a shame
do i need to tell you this
i dont like you, i hate this

many times i dream of you
not like i realy need you
you hate me
and i hate you
there nothing you can do

i just hate this
this feeling inside me
why do i ceep it
cant i trow out of my mind
when life sucks this badly
and i wanna die
i just hate this
this feel--ing inside

theres just one thing you could do
ignore me like a pool of poo
you realy understand
the truble that i had

so now i'm standing here
all alone whit people here

now one seems to know me
does someone do care

i just hate this
this feeling inside me
why do i ceep it
cant i throw it out of my mind
when life sucks this badly
and i wanna die
i just hate this
this feel--ing inside

so just go
go away
i dont like to be here
i hate this shit i'm feeling
its just
i dont know
do you wanna ??
wanna go ??

i just hate this
this feeling inside me
why do i ceep it
cant i throw it out of my mind
when life sucks this badly
and i wanna die
i just hate this
this feel--ing inside(Yeaah)
</p>
