## **Xavier Rudd** **Messages**

So now come sit down

Will you talk with me now

Let me see through your eyes

Where there is so much light

We are biding our time

For these myths to unwind

For these changes we will confront

So please beware

With every place that you had

Look to your soul

For the things that you know

For the trees that we see

Can not forever breathe

With the changes they will confront

CHORUS:

You know some people they just won't understand

no I just won't understand

These things

Thank you for your message but I don't understand

no I just won't understand

These things

For this sacred land

It has seen many hands

It has wealth and gold

Yet it is fragile and old  
And all the greedy souls  
Just don't care to know  
Of the changes it will confront

So speak out loud  
Of the things you are proud  
And if you love this coast  
Then keep it clean as it hopes  
'Cause the way that it shines  
May just dwindle with time  
With the changes it will confront

CHORUS:

You know some people they just won't understand  
no I just won't understand  
These things  
Thank you for your message but I don't understand  
no I just won't understand  
These things

So hold nice and close  
I want to get to your soul  
So that when it is cold  
You won't feel so alone  
'Cause the roads that you take  
May just crack and break  
With the changes you will confront

With each gift that you share  
You may heal and repair  
With each choice you make

You may help someone's day  
Well I know you are strong  
May your journey be long  
And now I wish you the best of luck  
Well I know you are strong  
May your journey be long  
And now I wish you the best of luck.

CHORUS:

You know some people they just won't understand  
no I just won't understand  
These things  
Thank you for your message but I don't understand  
no I just won't understand  
These things
