

Ado & Dino

Opa Balkan Style

Ovo je pjesma za raju na balkanu
sto vole da piju i jedu nasu hranu
Grah pita burek sarma ajvar i cevapi
kad ih pocnem jesti onda tesko mi je stati
Svi se bune nema para nemamo za hljeba
hajde Bosno radi nesto nama pos'o treba
Brdo para brdo zlata diamanti oko vrata
Samo mogu to da sanjam makar jedna plata
Kuca poso poso kuca sta je to hey sta je to hey

Opa Balkan style

Opa balkan style op op op opa Balkan style

Hey s*** mujo op op op opa Balkan style

I just wanna make it hot in here

make some space on the dance floor and move girl

I just wanna get down on you put your hand up in the air and say

Now I'm gonna spit some lyrics on the beat

everybody just gotta do like me

Move to the right move to the left

throw your hands up and pump with your chest

Don't give a f*** of you're black or white

don't give a f*** if you're wide or tight

Balkan baby we are in the house Ado I Dino party all night

House working working house nothing are I now hey
