Sloboda I Mir (duet Guido Mineo)

Usred pakla, mrznje te
nema sunca da nam sja
k'o u bunilo je sve
na nas idu sile zla
But there is just one thing
you must understand, yeah, yeah
no time for tears, put to pobjede
not afraid, come on, come on, come on
Ref.
Mi trazimo svi slobodu i mir
za nas Vukovar i ljude te
za slobodu moje Hrvatske
slobodu i mir
I can't stand it anymore
to see your picture on the floor
now we are standing again in the rain
how can I ever be the same
Jos samo jedan put je za nas sve
oh yeah, no time for tears
but we are not afraid
do pobjede, come on, come on, come on
Ref.
Sloboda i mir
We're gonna be free, yeah
Sibenik i Varazdin
i Osijek i Vinkovci
i Sisak i Petrinja
i Gospic i Vukovar
