A Grand Old Team

Hail, hail, the Celts are here, what to hell do we care, what to hell do we care
Hail, hail, the Celts are here, what to hell do we care now
For it's a grand old team to play for, for it's a grand old team to see
And if you know the history it's enough to make your heart go oh,oh,oh
We don't care if we win, loose or draw, what to hell do we care
For we only know that there's gonna be the show and the Glasgow Celtic will be
there
Sure is the best damn team in Scotland and the players all around
For we support the Celtic as we are the finest in the land (God bless them)
We'll be there to give the Bhoys a cheer where the league flag flies
And the cheers go up when we know the Scottish cup is coming home to rest in
