# Can You Get Me Out?

I went to the house at the top of the hill  
An' stood trembling there by the door  
My heart was thumpin' it would not stand still  
I hadn't done this before  
I'd come to see a witch' cause a foul bad bitch  
Had put an evel eye on me  
An' I had t'get out out beyond me doubt  
I wanted my soul to breathe

So!  
Can y'get me out  
Can y'get me get me out  
Can you get me outta here  
Can y'get me out out beyond me doubt  
Free me from pain and from fear  
Every thing that I try to do there's an obstacle in my way  
And I have to go out before I shout  
So tell me what y'have t'say

Can I cross your palm with silver m'am  
Can I cross your palm with gold  
A smile lit up her kindly face  
Ara child sure I'm much to old  
Go to the church and lite a little candle  
For the souls of those in pain  
And I will get you out out beyond your doubt  
An' you'll never be a victim again

Ohh can you get me out  
Can y'get me get me out  
Can you get me outta here

Can y'get me out out beyond me doubt  
Free me from pain and from fear
