If You Ever Have Forever

You're climbing mountains
I'm on a hill
You're always running
And I'm standing still

You live for the moment
No future, no past
I may be a fool to love by the rules
And want it to last

If you ever have forever in mind
I'll be here and be easy to find
If your heart is ready to lay down with mine
If you ever have forever in mind

The music has ended
Still you wanna dance
I know that feeling
I can't take the chance

You live for the moment
No future, no past
I may be a fool to love by the rules
And want it to last

If you ever have forever in mind
I'll be here and be easy to find
If your heart is ready to lay down with mine
If you ever have forever in mind
