

Plavi Orkestar

To Je Sok

Brothers and sisters
we are here to celebrate
the birth of the new lord
appearance of the holy ghost
so hand in hand, eyes in eyes
pray to Jesus, Jesus is our saviour

Od Neuma do Citluka
dugo sam tebe ljubio
a ti si se, igrala znam

I dugo si plakala
kada si gospu vidjela
a za tobom sam, plakao ja

Ref.

To je sok za mene majko
to je sok za mene majko
to je sok za mene majko
i sad se kisa sprema
tebe nema, nema , nema

So here I am alone again
my miracles and my blues
everybody, you dream
hand in hand

I made the earth
I made the sea
and I made human being
I wonder if I knew what I did
